

Role Information

Available Post/s: 1 full time post, Monash Medical Centre, Monash Health

Applications for dermatology training positions in 2018 have closed.

Applications open at the beginning of February each year and must be submitted electronically on the College website.

Applications for the position of Accredited Dermatology Registrar are made via <https://www.dermcoll.edu.au/>

Monash Health recruitment protocol requires all college recommended candidates to formalise their application to Monash Health by applying to our recruitment system. Further information will be provided to preferred college candidates at the appropriate time.

Recommended Candidates will be required to upload their CV, Primary Medical Degree, Employee Working with Children's check, a completed Fit2Work Consent form, and provide copies of 100 points of certified ID.

Should the college be unable to provide Monash Health completed references, recommended candidates will also be required to provide referee details who will be contacted via our electronic referencing system.
