Monash Health recruitment protocol requires all college recommended candidates to formalise their application to Monash Health by applying to our recruitment system. Further information will be provided to preferred college candidates at the appropriate time. Recommended Candidates will be required to upload their CV, a completed Fit2Work Consent form, and provide copies of 100 points of certified ID. Should the college be unable to provide Monash Health completed references, recommended candidates will also be required to provide referee details who will be contacted via our electronic referencing system.
