

# Career Planning Workshop

## September and November Workshops

Your future is there for the taking!

This half day program has been specifically developed for **Women in Medicine**.

- Clearly define your life's priorities
- Identify, and act upon, key elements to make your life work for you.
- Develop effective strategies for juggling multiple roles

Ensure that your **core values**, rather than **chance**, are driving your decisions.

### To participate:

#### 1. Choose a session:

Clayton MMC	Dandenong
Monday, 28 September 2 - 5 pm Seminar Room 6	Monday, 23 November 4 – 7pm Seminar Room 1
Cost per person: \$50 Places are limited	Cost per person: \$50 Places are limited

#### 2. Enrol in the session

Visit the **Monash Learning Site: Women in Medicine**.

>> Find Courses >> Professional Development >> Women in Medicine

>> Career Planning Workshop

## Who will facilitate this session?

Sandi Givens will facilitate this special **Women in Medicine** session.

Sandi is an experienced coach, passionate communicator and author of ***Women on the Move***. She has worked with literally tens of thousands of people at all organisational levels, with universities, government bodies, and Fortune 500 companies. She is an International Award-winning Speaker, Facilitator and Coach, and is one of Australia's most popular Leadership and Team Re-Building specialists.

Her passions are ***rebuilding teams, improving communication*** and ***helping women to their full potential as leaders***.

## What will you experience?

*"Practical explanations and tools that will impact me greatly in my work and life! Sandi is creative, enthusiastic, helpful and responsive!"*

*"Thoroughly enjoyed the roller coaster of thoughts and feelings that presented for me and the contribution Sandi made using techniques and examples that were easily understood. Sandi allowed me into her world for my benefit."*
