CREDENTIALING AND DEFINING SCOPE OF CLINICAL PRACTICE

TOXICOLOGY

PLEASE NOTE: Monash Health acknowledges that occasions may arise where the emergency needs of a patient require a procedure to be undertaken which falls outside the scope of clinical practice authorised for the practitioner concerned. Monash Health will support members of the Senior Medical Staff who are required to so act

Core Services:

| Please indicate (with a ✓) those services you wish to undertake on a site by site basis | MMC Clayton | MMC Moorabbin | Dandenong Hospital | Casey Hospital | Cranbourne Integrated Care Centre | Kingston Centre | Jessie McPherson Private Hospital |
|---|--------------------------|---------------|--------------------------|--------------------------|-----------------------------------|-----------------|-----------------------------------|
| Inpatient Services | <input type="checkbox"/> | NA | <input type="checkbox"/> | <input type="checkbox"/> | NA | NA | NA |
| Outpatient Services | <input type="checkbox"/> | NA | <input type="checkbox"/> | <input type="checkbox"/> | NA | NA | NA |
| Research | <input type="checkbox"/> | NA | <input type="checkbox"/> | <input type="checkbox"/> | NA | NA | NA |
| Supervision of trainees and/or students | <input type="checkbox"/> | NA | <input type="checkbox"/> | <input type="checkbox"/> | NA | NA | NA |
| Other Services | <input type="checkbox"/> | NA | <input type="checkbox"/> | <input type="checkbox"/> | NA | NA | NA |

Core Procedures: Adult & Paediatric:

| | | | | | | | |
|---|--------------------------|----|--------------------------|--------------------------|----|----|----|
| Provide acute poisoning risk assessment advice to emergency medicine, general medicine, psychiatry and intensive care unit staff, as well as other Monash Health in-patient units, to guide patient disposition, management and treatment | <input type="checkbox"/> | NA | <input type="checkbox"/> | <input type="checkbox"/> | NA | NA | NA |
| Management of the poisoned patient requiring care in a critical care setting including the intensive care unit Management of chronic poisoning including environmental and occupational exposures | <input type="checkbox"/> | NA | <input type="checkbox"/> | <input type="checkbox"/> | NA | NA | NA |
| Management of victims of chemical exposures including mass casualty exposures | <input type="checkbox"/> | NA | <input type="checkbox"/> | <input type="checkbox"/> | NA | NA | NA |
| Management of snake, spider and marine envenomation | <input type="checkbox"/> | NA | <input type="checkbox"/> | <input type="checkbox"/> | NA | NA | NA |

| Core Competencies – Clinical Toxicology | | | |
|--|--------------------------|--------------------------|--------------|
| | COMPETENT | | |
| | Clinician | Unit Head | NOTES |
| Resuscitation | <input type="checkbox"/> | <input type="checkbox"/> | |
| Decontamination | <input type="checkbox"/> | <input type="checkbox"/> | |
| Provision of specific antidotes | <input type="checkbox"/> | <input type="checkbox"/> | |
| Provision of appropriate supportive care | <input type="checkbox"/> | <input type="checkbox"/> | |
| Utilisation of extracorporeal techniques | <input type="checkbox"/> | <input type="checkbox"/> | |
| Recognition of the contribution of patient co-morbidities | <input type="checkbox"/> | <input type="checkbox"/> | |
| Assessment and initial management of psychiatric co-morbidities | <input type="checkbox"/> | <input type="checkbox"/> | |
| Disposition planning | <input type="checkbox"/> | <input type="checkbox"/> | |
| Management of patients in emergency short-stay units – E-toxicology patients in collaboration with emergency department short-stay medical and nursing staff | <input type="checkbox"/> | <input type="checkbox"/> | |
| Management of the poisoned patient requiring care in a critical care setting including the intensive care unit | <input type="checkbox"/> | <input type="checkbox"/> | |
| Management of victims of chemical exposures including terrorist attacks | <input type="checkbox"/> | <input type="checkbox"/> | |
| Management of chronic poisoning including environmental and occupational exposures | <input type="checkbox"/> | <input type="checkbox"/> | |
| Management of envenomation | <input type="checkbox"/> | <input type="checkbox"/> | |
| Initial management of drug and alcohol withdrawal states | <input type="checkbox"/> | <input type="checkbox"/> | |
| Provision of training and education to nursing staff, junior medical staff, advanced trainees and senior medical staff regarding the management of poisoned patients at Monash Health. | <input type="checkbox"/> | <input type="checkbox"/> | |
| Participating in an on-call roster. <ul style="list-style-type: none"> Being readily contactable by telephone at all times when rostered on-call. | <input type="checkbox"/> | <input type="checkbox"/> | |

| | | |
|------------------|----------|-----------|
| Applicant's Name | Position | Home Site |
|------------------|----------|-----------|

| | | | |
|---|--------------------------|--------------------------|--|
| <ul style="list-style-type: none"> Responding promptly, within 10-15 minutes, to the health professional that has contacted the Monash Toxicology Unit for clinical advice. Documenting advice given in all clinical consultations via an email to the toxicology group within 12 hours of the consultation. Providing timely handover to other members of the Monash Toxicology Unit regarding any patient referred to the unit requiring ongoing care. | | | |
| Participating, as appropriate, in Monash Health, Victorian Poison Information Centre and Austin Toxicology Forums and other educational meetings. | <input type="checkbox"/> | <input type="checkbox"/> | |
| Assisting in the development of protocols and guidelines with respect to the management of poisoned patients | <input type="checkbox"/> | <input type="checkbox"/> | |
| General Accreditation – Clinical Toxicology | | | |
| Demonstration of continued professional development | <input type="checkbox"/> | <input type="checkbox"/> | |
| Regular attendance at weekly QA meetings, case discussions and quarterly Monash / Austin Toxicology audit meetings | <input type="checkbox"/> | <input type="checkbox"/> | |
| Demonstration of active participation in one of the following: <ul style="list-style-type: none"> Teaching Research and associated peer-reviewed publication Clinical governance RACP, ACEM, ANZCA or JFICM role actively promoting clinical toxicology as a speciality | <input type="checkbox"/> | <input type="checkbox"/> | |

| Additional Procedures: | | | | | | | |
