latte

The new face of Monash Health Learning

Welcome to the Learning and Teaching Technology Environment

**Existing Employees:**

- Your latte login details are the same as your Monash Health network login details i.e. Employee number and password
- [Password unlock/reset](#). Contact IT if you have any issues

**New Employees:**

- Your latte learning account will not be activated until your payroll and IT accounts have been created. This can take up to 10 business days. Please wait until payroll and IT have completed this process before attempting to log into latte
- You must **reset your temporary IT password** (if not done already) before logging into latte for the first time. Contact IT if you have any issues

**Students, Contractors, Agency, Locum, Volunteers:**

- Click on the appropriate button to the right to access your login page
- This page has further information and troubleshooting
