Features of a satisfactory skill demonstration (all boxes must be ticked)

Learner to complete

- ☐ I have reviewed the MH background policy 'Peripheral Venous Cannula insertion (adult)' and associated procedures
- ☐ I have completed all the required learning via Monash health learning system prior to practical demonstration attempt

Not sure about this procedural skill? If you would like more information please return to the Intern Assessment page for links to additional resources. (<http://monashdoctors.org/intern-assessment/>)

Pre procedure (assessor to complete)

- ☐ Displays an understanding of relevant procedural indications, contraindications, anatomy and technique
- ☐ Correctly identifies patient and gains informed verbal consent after explanation of indication, benefits and risks
- ☐ Preparation of equipment and workspace has occurred with minor verbal prompting from assessor.

Asepsis and sterile field management (assessor to complete)

- ☐ Hand hygiene performed and aseptic technique maintained throughout care episode. Any breaches are recognised by the trainee and rectified.
- ☐ Introduction of sterile items to procedural field ensure maintenance of aseptic technique.
- ☐ Sterile gloves (if the learner recognised the need) are applied and utilised at the correct point in the procedures to maintain asepsis.

Skill demonstration and execution (assessor to complete)

- ☐ Execution of skill is compliant with Monash Health policies and procedures (including Peripheral intravenous (IV) cannula insertion (Adult)) and includes optimising patient comfort and privacy, and completion of required documentation. Direct supervision is no longer required.

Trainee overall performance

Go to the <http://monashdoctors.org/intern-assessment/> and look for the additional resources page

Reassessment

1. Co-ordination of reassessment is the responsibility of the trainee
2. Extensions for completion of DOPS will be considered once an “application for extension” email has been received by the MEO based in the Medical Education Office. Approval or refusal of extension will be communicated via email.
3. Further assessment opportunities may be co-ordinated by the Medical Education office after consultation with the Director of Clinical Training.
