

Navigating your digital responsibilities - cyber security and your online presence

Join a range of experts on **Sunday 23 July 2023.**

Discover effective strategies from the Australian Government Department of Home Affairs Cyber and Infrastructure Security Centre as well as learning from technology and law professionals, to mitigate risks, fortify defences, and ensure a secure healthcare environment, protecting patient care, medical information, and professional reputation.

Additionally, we will delve into the realm of digital marketing for your business, cultivating a strong online presence and mastering the essential guidelines for effective social media usage.

Sunday Registration Cost: **\$145** (RACS members) / **\$175** (Non-members)

(RACS login required - if you don't have a RACS account, you will need to sign up for one when following the registration link)

This educational activity has been approved in the RACS CPD Program
